

Community Health and Health Promotion (COMH)

Module 1: Foundations of Community Health

Roles and Ethics

Lesson Notes

KMVTECHUG

Version: 2026

Health vs Care

Health includes living conditions. Health care is services for illness and prevention.

Community Workers

VHTs educate, mobilise, follow up, and link to facilities.

Ethics

Confidentiality, no shaming, honest limits, community consent.

Reflect: *Why do false promises damage community programmes?*

Closing

Module 2: determinants of health.
