

Community Health and Health Promotion (COMH)

Module 5: Priority Health Themes

Maternal Child Health and Infections

Lesson Notes

KMVTECHUG

Version: 2026

Maternal Child Health

ANC, skilled birth, postnatal and newborn care. Mobilise and support transport plans.

Immunisation

Prevent deaths. Address fears respectfully. Trace defaulters without shame.

Infections

Malaria, HIV, TB, diarrhoea: testing, adherence, nets, hygiene per national guidance.

Reflect: *How can defaulter tracing stay respectful?*

Closing

Next: NCDs, nutrition, mental health.
