

Community Health and Health Promotion (COMH)

Module 5: Priority Health Themes

NCDs, Nutrition and Mental Health

Lesson Notes

KMVTECHUG

Version: 2026

NCDs

Awareness, lifestyle support, facility follow-up. Do not change prescriptions.

Nutrition

Diverse local foods, breastfeeding guidance, growth monitoring links.

Mental Health

Reduce stigma, encourage help-seeking, support inclusion. Clinical care still needed.

Reflect: *What stigma message would you challenge in your community?*

Closing

Module 6: communication and practice.
