

Community Health and Health Promotion (COMH)

Module 6: Communication and Practice

Health Communication

Lesson Notes

KMVTECHUG

Version: 2026

Messages

Local language, simple words, one main action. Pre-test materials.

Counselling

Listen more than lecture. Explore barriers. Agree a realistic next step.

Misinformation

Respectful correction, trusted sources, trusted local voices.

Reflect: Rewrite a complex health sentence into one clear action.

Closing

Final: advocacy, measurement, takeaways.
