

First Aid and Basic Emergency Care (FAEC)

Module 6: Context and Next Steps

Road Scenes and Snake Bites

Lesson Notes

KMVTECHUG

Version: 2026

Road

Traffic safety first. Early help. Life threats first.

Snake

Calm, still, immobilise limb, facility care. No cutting or sucking myths.

Handover

Time, place, findings, actions.

Reflect: *One snake-bite myth to avoid?*

Closing

Final: limits, training, takeaways.
