

First Aid and Basic Emergency Care (FAEC)

Module 6: Context and Next Steps

Limits, Training and Takeaways

Lesson Notes

KMVTECHUG

Version: 2026

Limits

Stop if unsafe or exhausted. Seek support after distress.

Training

Practical certified courses. Stock real kits.

Takeaways

Safety, assess, act within scope, get help, hand over.

Reflect: Which practical course will you look up?

Closing

You completed FAEC.
