

Family Medicine and Primary Care (FAMMED)

Module 6: Ethics Teams and Practice

Ethics and Teamwork

Lesson Notes

KMVTECHUG

Version: 2026

Ethics

Honesty, fair triage, avoid unnecessary treatment, careful dual relationships.

Confidentiality Consent

Protect information; seek consent; know safety exceptions per guidance.

Teams

Clear roles across cadres and VHTs; respectful communication.

Reflect: *Why is gossip about patients an ethical failure?*

Closing

Final: quality, self-care, takeaways.
