

Foundations of Health Professionals Education (FOUNDHP)

Module 1: What is HPE

Roles and Local Challenges

Lesson Notes

KMVTECHUG

Version: 2026

Educator Roles

Plan, facilitate, assess, feedback, model professionalism, support wellbeing.

Competence

Knowledge, skills, and attitudes together.

Challenges

Large numbers, limited equipment, service load - adapt without abandoning standards.

Reflect: *What constraint most affects teaching in your setting?*

Closing

Module 2: how learners learn.
