

Foundations of Health Professionals Education (FOUNDHP)

Module 2: How Learners Learn

Adult and Workplace Learning

Lesson Notes

KMVTECHUG

Version: 2026

Adult Principles

Experience, relevance, application, respect.

Motivation

Link to prior knowledge and real patient problems.

Workplace

Graduated participation from observation to supervised independence.

Reflect: *How do you make a lecture topic relevant to ward work?*

Closing

Next: novice-expert, mistakes, inclusion.
