

Foundations of Health Professionals Education (FOUNDHP)

Module 2: How Learners Learn

Stage, Safety and Inclusion

Lesson Notes

KMVTECHUG

Version: 2026

Novice to Expert

Match guidance to stage; experts forget novice difficulty.

Mistakes

Psychological safety; debrief for learning; protect patients.

Inclusion

Avoid favouritism and stereotypes; diverse examples.

Reflect: *What makes it hard for learners to admit uncertainty?*

Closing

Module 3: teaching methods.
