

Foundations of Health Professionals Education (FOUNDHP)

Module 3: Teaching Methods

Classroom and Bedside

Lesson Notes

KMVTECHUG

Version: 2026

Interactive Class

Questions, activities, checks for understanding.

Small Groups

Facilitate; do not dominate; invite quiet members.

Bedside

Consent, dignity, few focused points.

Reflect: *How many learning points fit a short bedside stop?*

Closing

Next: skills, cases, limited resources.
