

Foundations of Health Professionals Education (FOUNDHP)

Module 4: Assessment and Feedback

Why and How to Assess

Lesson Notes

KMVTECHUG

Version: 2026

Why Assess

Drive learning, certify readiness, protect the public.

Formative vs Summative

Guide improvement vs judge readiness at gates.

Workplace-Based

Observe real performance with simple tools.

Reflect: *When did formative feedback last change your practice?*

Closing

Next: giving feedback and fairness.
