

Foundations of Health Professionals Education (FOUNDHP)

Module 5: Curriculum and Supervision

Alignment and Supervision

Lesson Notes

KMVTECHUG

Version: 2026

Outcomes and Alignment

Know, do, value - match methods and assessment.

Session Plan

Outcomes, level, time, methods, check of understanding.

Supervision

Brief, observe, coach, debrief.

Reflect: *What is missing from a session with only a topic title?*

Closing

Next: entrustment, safety, struggling learners.
