

Foundations of Health Professionals Education (FOUNDHP)

Module 6: Professionalism and Improvement

Modelling, Ethics and Teams

Lesson Notes

KMVTECHUG

Version: 2026

Role Modelling

Behaviour teaches more than slogans.

Ethics

No exploitation, harassment, or unsafe teaching convenience.

Interprofessional

Learn with, from, and about other cadres.

Reflect: *What behaviour do you hope learners copy from you?*

Closing

Final: reflection, faculty development, takeaways.
