

Foundations of Health Professionals Education (FOUNDHP)

Module 6: Professionalism and Improvement

Reflection and Takeaways

Lesson Notes

KMVTECHUG

Version: 2026

Reflection

What worked, what confused, what to change.

Faculty Development

Workshops, peer observation, mentoring, formal HPE courses.

Takeaways

Teaching is a skill; relevance; interact; assess fairly; supervise; model; improve.

Reflect: Which one teaching behaviour will you change this week?

Closing

You completed FOUNDHP.
