

Health Communication and Patient Education (HCPE)

Module 1: Foundations

Principles and Trust

Lesson Notes

KMVTECHUG

Version: 2026

Ethics

Honesty, confidentiality, non-discrimination, informed choice.

Verbal and Nonverbal

Tone and body language can cancel kind words; adapt culturally.

Trust Quickly

Name, preferred name, explain plan, invite questions.

Reflect: *What one courtesy will you add to every first greeting?*

Closing

Module 2: health literacy.
