

Health Communication and Patient Education (HCPE)

Module 2: Health Literacy

Visuals, Numeracy and Interpreters

Lesson Notes

KMVTECHUG

Version: 2026

Visuals

Charts and demonstration for complex regimens.

Numeracy

Show doses and dates; confirm return timing.

Interpreters

Prefer trained; speak to the patient; avoid shaming literacy.

Reflect: Which high-risk instruction needs teach-back in your unit?

Closing

Module 3: counselling skills.
