

Health Communication and Patient Education (HCPE)

Module 3: Counselling Skills

Structure, Listening and Questions

Lesson Notes

KMVTECHUG

Version: 2026

Structure

Open, explore, explain, plan, check, safety-net.

Listening

Reflect facts and feelings; empathy is understanding not always agreeing.

Questions

Open then focused; avoid leading.

Reflect: *Practise one open question for a hypertension review.*

Closing

Next: motivation, shared decisions, time limits.
