

Health Communication and Patient Education (HCPE)

Module 3: Counselling Skills

Motivation, Decisions and Time

Lesson Notes

KMVTECHUG

Version: 2026

Motivational Ideas

Patient's own reasons; support self-efficacy; avoid pure confrontation.

Shared Decisions

Options, benefits, harms, values; document plan.

Time Limits

One key message, one check, one next step when rushed.

Reflect: *What is your safety-net line for a febrile child discharge?*

Closing

Module 4: group education.
