

# Health Communication and Patient Education (HCPE)

## Module 4: Group and Community Education

### Materials, Myths and Evaluation

Lesson Notes

KMVTECHUG

Version: 2026

## Materials

Simple, durable, tested with users.

## Myths

Listen without mockery; facts plus trusted local voices.

## Evaluation

Learning checks and behaviour markers, not only attendance.

**Reflect:** *What myth in your community needs a respectful response?*

## Closing

Module 5: difficult conversations.
