

Health Communication and Patient Education (HCPE)

Module 5: Difficult Conversations

Consent, Stigma and Families

Lesson Notes

KMVTECHUG

Version: 2026

Consent

Purpose, benefits, risks, alternatives; check understanding; document.

Stigma Topics

Neutral language; private space; non-judgemental tone.

Families

Clarify who may hear what; give caregivers practical instructions.

Reflect: *How do you protect privacy when relatives are in the room?*

Closing

Module 6: systems and practice.
