

Health Communication and Patient Education (HCPE)

Module 6: Systems and Practice

Self-Awareness and Takeaways

Lesson Notes

KMVTECHUG

Version: 2026

Self-Awareness

Stress shows in tone; seek support for compassion fatigue.

Practice

Role-play; seek feedback; deliberate improvement.

Takeaways

Respect and structure; literacy-friendly talk; listen and motivate; educate with partners; hard news with care; handover and document; keep improving.

Reflect: *Which skill will you deliberately practise this week?*

Closing

You completed HCPE.
