

Infection Prevention and Control (IPC1)

Module 4: Sharps, Waste and Environment

Cleaning and Linen

Lesson Notes

KMVTECHUG

Version: 2026

Waste Handling

Use PPE. Do not compress bags with hands or feet.

Environmental Cleaning

High-touch surfaces, correct dilution, contact time, cleaner to dirtier.

Linen

Minimal agitation; bag at source; separate clean and dirty.

Reflect: Name three high-touch surfaces on a ward.

Closing

Module 5: transmission-based precautions.
