

Infection Prevention and Control (IPC1)

Module 5: Transmission-Based Precautions

Outbreaks and Communication

Lesson Notes

KMVTECHUG

Version: 2026

Placement

Single rooms when possible; careful cohorting when limited.

Outbreaks

More cases than expected: report, reinforce IPC, follow the plan.

Communication

Explain calmly to families. Avoid stigma and panic.

Reflect: *Why does early outbreak reporting matter?*

Closing

Module 6: culture, monitoring, takeaways.
