

Infection Prevention and Control (IPC1)

Module 6: Practice Culture and Improvement

Culture and Monitoring

Lesson Notes

KMVTECHUG

Version: 2026

Everyone's Job

Respectful reminders across hierarchy strengthen safety.

Monitoring

Hand hygiene observation and stock checks with constructive feedback.

Reporting

Exposures and clusters feed learning systems, not only blame.

Reflect: *How would you give a respectful IPC reminder to a colleague?*

Closing

Final: leadership, self-protection, takeaways.
