

Infection Prevention and Control (IPC1)

Module 6: Practice Culture and Improvement

Leadership and Takeaways

Lesson Notes

KMVTECHUG

Version: 2026

Supplies

Leaders fund soap, rub, gloves, containers. Escalate shortages.

Self-Protection

Recommended vaccines; careful uniform handling; sensible home hygiene.

Takeaways

Standard precautions always; moments for hands; right PPE; safe sharps and waste; speak up.

Reflect: Which IPC habit will you practise on your next clinical day?

Closing

You completed IPC1.
