

Medical Ethics and Professionalism (MEETH)

Module 2: Core Principles

Autonomy, Beneficence, Non-Maleficence, Justice

Lesson Notes

KMVTECHUG

Version: 2026

Autonomy

Informed choice including refusal within limits.

Beneficence and Non-Maleficence

Do good; avoid needless harm; balance risk.

Justice

Fair care; no favouritism by wealth, tribe, or connection.

Reflect: Give an example of injustice in a clinic queue.

Closing

Next: dignity, honesty, conflicts.
