

Medical Ethics and Professionalism (MEETH)

Module 3: Consent and Confidentiality

Consent, Capacity and Children

Lesson Notes

KMVTECHUG

Version: 2026

Informed Consent

Information, understanding, voluntariness, capacity; process not only signature.

Capacity

Decision-specific; understand, retain, weigh, communicate.

Children and Families

Guardian consent; involve child appropriately; careful adolescent issues.

Reflect: *What makes a signed form still invalid?*

Closing

Next: confidentiality limits and digital risks.
