

Medical Ethics and Professionalism (MEETH)

Module 4: Professionalism

Professionalism, Competence and Error

Lesson Notes

KMVTECHUG

Version: 2026

Professionalism

Behaviours that justify public trust.

Scope

Stay within competence; refer; keep learning.

Accountability

Own actions; report incidents; learning culture.

Reflect: *When should you refuse a task beyond your training?*

Closing

Next: relationships, teams, conflicts of interest.
