

Medical Ethics and Professionalism (MEETH)

Module 5: Challenging Situations

Scarcity, Serious Illness and Research

Lesson Notes

KMVTECHUG

Version: 2026

Triage

Fair clinical criteria; transparent; documented.

Serious Illness

Honest compassionate communication; lawful guidance on treatment limits.

Research

Consent, risk-benefit, fair selection, ethics review.

Reflect: *What makes triage unfair?*

Closing

Next: stigma, harassment, objection.
