

Mental Health Interventions at a Workplace (MHWP)

Module 1: Foundations

Workplace Mental Health Foundations

Lesson Notes

KMVTECHUG

Version: 2026

Definition

Prevention, early support, and fair return to work - not only crisis counselling.

Why Organizations Care

Absence, presenteeism, turnover, conflict, safety.

Dual Lens

Clinicians: pathways. Org psych/HR: job design, climate, leadership, systems.

Reflect: *How would an org psych student and a clinician each use this course?*

Closing

Next: stigma, ethics, roles.
