

Mental Health Interventions at a Workplace (MHWP)

Module 2: Risks and Presentations

Substance, Trauma and Sectors

Lesson Notes

KMVTECHUG

Version: 2026

Substance

Coping and impairment; pair fitness rules with help pathways.

Trauma

Critical incident support for exposed staff.

Sectors

Health, education, security, transport, informal work - fit interventions to reality.

Reflect: *What makes informal sector support harder?*

Closing

Module 3: prevention and work design.
