

Mental Health Interventions at a Workplace (MHWP)

Module 4: Early Support Conversations

Noticing, Listening and PFA

Lesson Notes

KMVTECHUG

Version: 2026

Opening

Private, specific, caring concern.

Listening

No diagnosing by non-clinicians; explore controllable work factors.

PFA Ideas

Safety, practical help, calm, connection - not formal therapy by managers.

Reflect: *Practise one opening sentence you could use as a manager.*

Closing

Next: adjustments, referral, peers.
