

Mental Health Interventions at a Workplace (MHWP)

Module 4: Early Support Conversations

Adjustments, Referral and Peers

Lesson Notes

KMVTECHUG

Version: 2026

Adjustments

Agreed, reviewed changes to hours, tasks, supervision.

Referral

Persist, high risk, or need for professional care; know emergency pathways.

Peer Support

Training, boundaries, escalation - not untrained pressure.

Reflect: *What local referral options would you list for your workplace?*

Closing

Module 5: formal interventions.
