

Maternal, Newborn and Child Health (MNCH)

Module 1: Foundations of MNCH

Roles, Respect and Equity

Lesson Notes

KMVTECHUG

Version: 2026

Roles

Midwives, nurses, clinical officers, doctors, VHTs, and families share the continuum.

Respectful Care

Dignity, privacy, consent, no abuse. Mistreatment drives women away from facilities.

Equity

Reach adolescents, rural poor, women with disability, and refugees actively.

Reflect: *How does disrespect affect facility delivery rates?*

Closing

Module 2: antenatal care.
