

Non-Communicable Diseases in Primary Care (NCDPC)

Module 5: Lifestyle and Self-Management

Diet Activity Tobacco Alcohol

Lesson Notes

KMVTECHUG

Version: 2026

Diet

Local diverse foods, less salt, less sugary drinks, realistic budgets.

Activity

Regular movement tailored to ability and safety.

Tobacco and Alcohol

Brief quit advice routinely. Support harmful alcohol reduction.

Reflect: Give one realistic diet tip for a low-income household.

Closing

Next: self-management and counselling.
