

Non-Communicable Diseases in Primary Care (NCDPC)

Module 5: Lifestyle and Self-Management

Self-Management Support

Lesson Notes

KMVTECHUG

Version: 2026

Self-Management

Ongoing education on condition, medicines, monitoring, when to seek help.

Counselling

Listen, explore readiness, small steps. Shame fails.

Family and Peers

Food, money, transport, and norms shape daily control.

Reflect: *What is one small step you might agree with a patient this week?*

Closing

Module 6: systems and continuity.
