

Nutrition for Health Workers (NUTHW)

Module 1: Foundations

Roles, Food Security and Culture

Lesson Notes

KMVTECHUG

Version: 2026

Roles

Screen, counsel, treat in scope, refer, support programmes.

Food Security

Reliable access to enough safe nutritious food.

Culture

Respect; improve within local staples; no shaming.

Reflect: *What barrier limits families from following diet advice?*

Closing

Module 2: nutrients.
