

Nutrition for Health Workers (NUTHW)

Module 3: Life Course

Across Ages and Sick Child

Lesson Notes

KMVTECHUG

Version: 2026

School/Adolescent

Energy for growth; iron for girls; limit sugary snacks.

Adult/Older

Balance, less salt/sugar; protein and texture for older adults.

Sick Child

Continue feeding; catch-up after illness.

Reflect: *What catch-up message will you give after diarrhoea?*

Closing

Module 4: malnutrition.
