

Nutrition for Health Workers (NUTHW)

Module 6: Counselling and Programmes

Counselling, VHTs and Guidelines

Lesson Notes

KMVTECHUG

Version: 2026

Counselling

Assess, negotiate small changes, demonstrate, check understanding.

VHTs/Caregivers

Train and supervise; caregivers implement feeding.

Guidelines

Align with MoH IMAM, IYCF, micronutrient programmes.

Reflect: *What barrier will you ask about in every counselling session?*

Closing

Final: food safety, documentation, takeaways.
